Blue Ice is a stunning Uniesse 72, entirely refitted in 2016. Its 22,4-meter length offers the spaces and comfort of a much larger boat. The hull typology allows for great stability both during sailing and at anchor, while the two engines ensure limited consumption.

The yacht boasts four cabins: Master, VIP and two Twin all with bathroom and SAT-TV. The large salon area has a large sofa with 40" Sat-TV and a table that seats up to eight guests. The comfortable table for eight is located at stern. The flybridge has a sunbathing area and a table with chairs.

Blue Ice's crew of three is composed by the captain, a stewardess/cook and a sailor.
